# Adding your signature and credentials

The screenshot shows a web browser window titled "Lauris Online - Signature Capture" with the URL <https://www5.laurisonline.com/scanning/sigcap.aspx?usersig=1>. The page features the Lauris Online logo and a navigation menu on the left. A yellow callout box with a black border contains the text: "STEP 3 - Using your mouse, laptop mouse pad, or touch-screen device, sign your name (as you want it to appear on your documents) in this box." Below this box are three buttons: "Clear", "Save Signature", and "Close". A yellow arrow points from a second yellow callout box below to the "Save Signature" button. This second callout box contains the text: "STEP 4 - Click Save Signature (This will cause signature box to close)".
